Date: 31/08/2023

TO WHOM SO EVER IT MAY CONCERN

This is to certify that, Ms. Vaja Binal Nareshkumar (216140316033) student of Information Technology Department, Government Polytechnic for Girls, Ahmedabad, has successfully completed a six-week internship in the field of Machine Learning from the date 27 July 2023 to 30 August 2023.

During the period of her internship project with us, she was exposed to the following different processes and was found sincere and hardworking.

1. Data Analytics on Live API using requests package.

2. Data Visualization using Matplotlib.

3. Data Analytics concepts with numpy and pandas.

4. Object detection and classification using OpenCV (Computer Vision).

5. Machine Learning models implementation with mathematical approach.
